

## HALLOWEEN AT THE MISSION HOUSE

CREATIVITY : HERITAGE : EDUCATION

The **MISSION HOUSE** is a historic house in Bodden Town, Grand Cayman. In the 1800's the house became known as the "**MISSION HOUSE**" because early missionaries, teachers and families lived there while starting a Presbyterian church and school in the district of Bodden Town. You and your family may want to visit and tour this very special place to see all the artifacts inside the house. Why not go there on Halloween?

If you can't make it to the **MISSION HOUSE** this Halloween, why don't you decorate it? There's a photo on the next page and directions on how to decorate the house.
